

See what's inside

#### SPECIALIZED KNOWLEDGE

- Subspecialty radiologists trained to catch subtle irregularities that others may miss
- Technologists dedicated to compassionate patient care
- Precise, reliable results for confidence in deciding the optimum course of treatment

#### STATE-OF-THE-ART TECHNOLOGY

- Forefront of new imaging equipment powered by the latest technologies
- Focused on investment in innovation to deliver the precision you need for consistent results
- Industry-leading image quality that you and your patients can trust

#### CONVENIENCE THAT MATTERS

American Health Imaging makes it **easy to refer** and schedule patients, easy for patients to visit, and **easy for you to obtain reports.** 

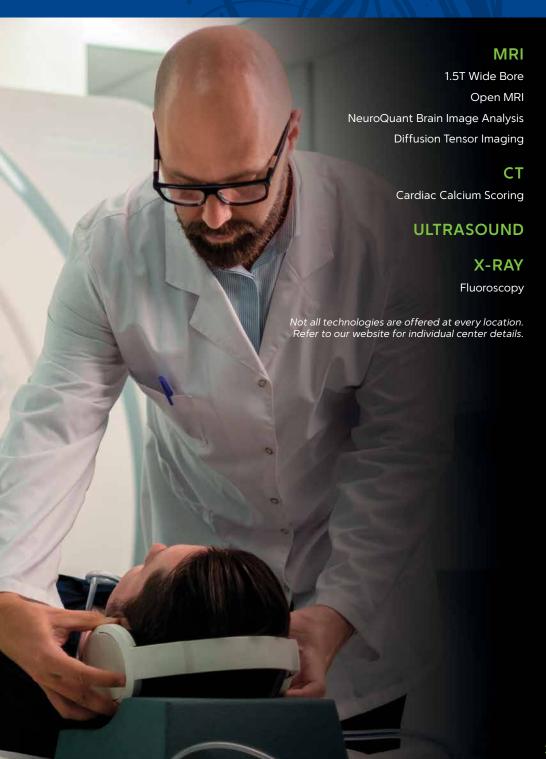

- Large number of accessible locations
- · Same-day or next-day appointments
- · Welcoming, spa-like environment
- · Skilled technologists deliver quality images the first time
- Complete reports available within hours, not days

Bottom line: American Health Imaging makes everything easy for you and your patients.

### **TECHNOLOGIES + APPLICATIONS**

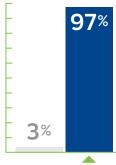

# We make it easy for patients

Patients have rated us 97% Very Satisfied or Satisfied\* with their experience because of the AHI Advantage.

#### CONFIDENCE

- High quality medical imaging technology well above industry standards
- Compassionate patient care from appointment scheduling to imaging results

OUR PATIENT SATISFACTION RATING

(N=71,266)

### CONVENIENCE

- Patients can choose an imaging center that best meets their needs with many locations in the area
- Same-day appointments, evening hours, and weekend options that work with patients' busy schedules
- Fast insurance prior authorization to streamline patients' experience
- · No complex hospitals to navigate

### **COST-EFFECTIVENESS**

- 40-60% lower costs compared to hospitals\*\*
- In-network with 99% of health plans with competitive rates to save your patients money
- Financial assistance programs available for patients if needed

# We make it easy for you

The AHI Advantage enables you to determine the best course for medical care.

- Obtain reports quickly through easy-to-access portals
- Accessible radiologists available for consultation
- Crisp, clear images with reports you can consistently trust to build a treatment plan with confidence
- Large number of convenient locations that offer many advanced modalities with the ability to get your patients scheduled the same day
- American Health Imaging provides fast prior authorizations for no-hassle appointment scheduling

## Wide-Bore MRI

Available at select American Health Imaging locations, our 1.5T wide-bore scanners provide a whole new level of patient comfort with high-density coils, novel applications designed to minimize scan times, and up to 48 digitized channels for high image quality.

- **Ultra-short 145cm bore** offers more head-out exams and helps reduce anxiety.
- Large 70cm wide bore accommodates patients up to 550 pounds and helps with claustrophobic patients.
- Detachable table gives patients easy access.
- Reduced noise levels and headphones with music for a more pleasant experience.
- Ultra-high density coils designed for patient comfort and reduced exam time.
